OPEN CALL FOR EXTERNAL EXPERT

Midterm evaluation of an ongoing project

Project:

Transforming conflict perceptions through increased civic and community engagement in Kosovo

Period:

January 2019 – June 2021

Date:

As soon as possible or latest 1st of October 2021

Background:

Kosovo Coalition for Reconciliation (KCR) was established in January 2019, by HLCK, Artpolis, NGO Aktiv and Documenta, through the support of the European Union Office in Kosovo with the project “Transforming conflicting perceptions through increased civic and community engagement in Kosovo”.

KCR seeks to contribute to overall improvement of ethnic relations in Kosovo and increase understanding and participation of grass-root community actors in initiatives fostering the reconciliation process in Kosovo. Through vigorous efforts in facilitation of respectful ethnic dialogue, promotion of cultural diversity values, increased opportunities for inter-ethnic cooperation in promotion of peace and tolerance and amplified inclusion women and youth groups in reconciliation process in Kosovo, KCR aspires to introduce genuine and sustainable changes in reconciliation dynamics in Kosovo.

The selected expert/consultant will have to conduct a programmatic evaluation, which will autonomously measure overall progress of the project, assess the indicator fulfillment, collect and review quantitative and qualitative data to determine evidence of the project impact and suggest the changes/amendments that lead to better result delivery in the continuation of efforts. This will have to be done in close cooperation with the programme manager and the KCR members.

After more than 2 years of work, the Coalition seeks to engage **an external expert** who will work closely with us to:

- Carefully review the work of the KCR for the period of 1st of January 2019 – 30th of June 2021.
- Prepare and conduct a midterm evaluation of the partnered organizations, based on meetings with HLCK, Artpolis, NGO Aktiv, the expert’s own research and feedback collected from stakeholders and discuss the findings with the organizations.
- Explore and recommend which interventions are most appropriate at which level(s) to achieve the desired change.

Funded by the
